Report on Field Work

Title	Field visit - Visvesvaraya Industrial & Technological Museum, Bengaluru 560001
Date of Event(s)	17/05/2023
Department / Association	Department of Science
Number of Participants	144
Target Audience	UG students (II Sem B.Sc. 'A', 'B' & IV Sem B.Sc. 'B')

Place of visit	Visvesvaraya Industrial & Technological Museum, Bengaluru 560001.
Event Coordinator	Prof. Rashmi N

Objective: Museums can inspire curiosity and a sense of wonder about the natural world and scientific achievements. Seeing tangible examples of scientific advancements and innovations can motivate Students to explore science further and consider careers in STEM (science, technology, engineering, and mathematics) fields.

The **Visvesvaraya Industrial and Technological Museum (VITM)**, Bangalore, India, a constituent unit of the National Council of Science Museums (NCSM), Ministry of Culture, Government of India, was established in memory of Sir M. Visvesvaraya. The 4,000 m² (43,000 sq ft) building was constructed in Cubbon Park, and was inaugurated by the first Prime Minister of India, Pandit Jawaharlal Nehru, on July 14, 1962. The museum displays industrial products, scientific models and engines.

First floor of the museum contains engine section. In this section mainly they have displayed evolution of science especially levers, tools, gears, evolution of clocks, sewing machines, typewriters, telephones and printing machines. There are some display and working models.

In the second floor there are two sections space technology and Bio technology departments. In this departments, they have shown the rare pics of astronauts, like first astronaut to go into space, then they have shown how rockets are launched, about astronauts, space programs, satellites, space shuttle and important events of space occurred in the world. In the Bio technology section they had displayed charts about cells in the blood, development of cells, tissues etc.

Electronics City P.O., Bengaluru - 560 100

Tel.: 080-27836065 / 27834611, Fax: 080-27832299, Email: principal@sfscollege.in

www.sfscollege.in

In the third floor there is Electronics department. They had also clearly explained how micro chips are prepared and how programs are inserted into it. They also show the video of that preparation of micro chips.

Two shows were conducted by the museum to gain more knowledge by students. They are

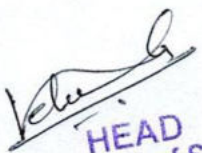

1.Science show

2.3D fun show

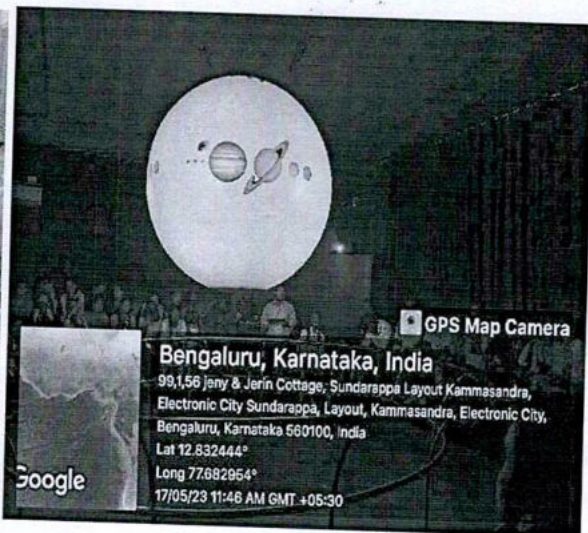

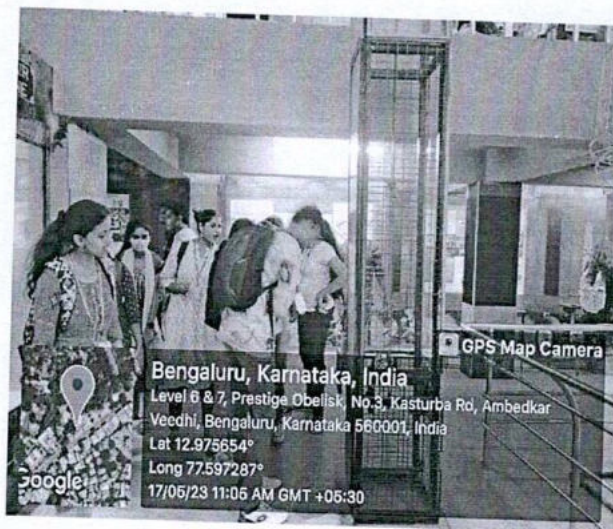

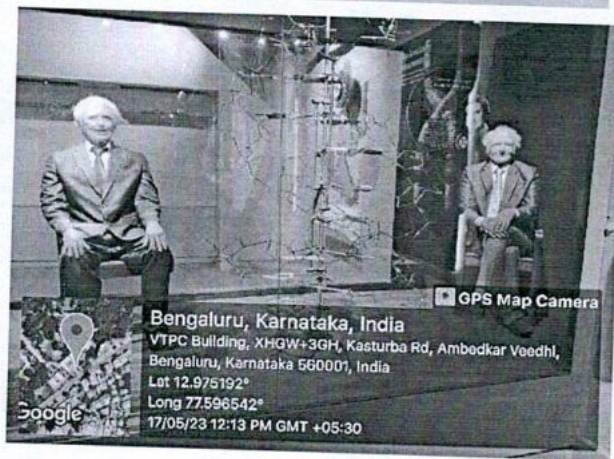

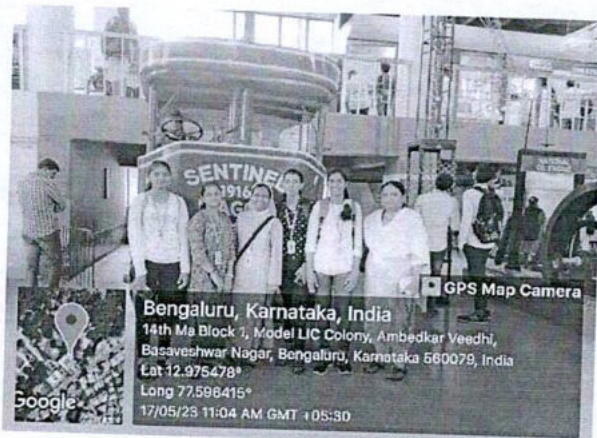

Outcome:

Students Excitedly watched the Science show which is a large spherical visualization system that uses multimedia projections to display animated data onto the exterior of a sphere converting it into an immersive animated globe that shows dynamic, animated images of the atmosphere, oceans, and land area of a planet. It is an innovative and powerful teaching tool to enhance informal education on earth, climate change etc. and transform the public perception to effectively implement conservation measures of the earth.

Experiences, such as visiting a museum, can also become a meaningful part of one's identity and contribute to successful social relationships in a manner that material items cannot.

To

The Director

Visvesvaraya Industrial Museum & Technological Museum,
Bangalore.

Dear Sir/Madam

St. Francis de Sales college is manned by the Missionaries of St. Francis de Sales (MSFS) of the South West India Province, who firmly believe that 'the education of the heart is the heart of education' as propounded by its founder, Fr. Peter Marie Mermier. The College is named after St. Francis de Sales, the patron of the MSFS. At present, the College offers BSc, BA, Bcom, BBA, BCA, MCOM, MSc and MA. The College also runs an Evening College to cater to the working youth and to educate them. The College has obtained the 2(f) and 12(b) recognition under the UGC Act of 1956. Now with all these new programmes introduced, the College stands ready to become an autonomous college in the near future.

As a part of the curriculum, industrial visit is mandatory once in a year for our BSc students. So, as to provide the real insight of working procedure of an esteemed organization like yours and also to fulfill the curriculum demands we request you the industrial visit.

Kindly accord permission to a team of 144 students from First year (II Semester) and Second year (IV Semester) BSc and three faculty members on 17th May to visit your esteemed organization.

The list of students and the teachers are also enclosing herewith this letter

Thanking you

With best regards
