Detailed report of the industrial visit [Garuda polyflex foods pvt Ltd]

Field visit is considered as one of the tactical methods of teaching. The main reason behind this- it lets student to know things practically through interaction, working methods and employment practices. Moreover, it gives exposure from academic point of view. Main aim of field visit is to provide an exposure to students about practical working environment. They also provide students a good opportunity to gain full awareness about industrial practices Through field visit students get awareness of new technologies. We know building relationship with companies always will always help to gain a good job in future.

Students of ST.FRANCIS DE SALES COLLEGE are assigned to have an field visit for the purpose of experimental learning and to encourage students voluntarily. The students were asked to visit the any field and to find out the various cost elements in the industry and to prepare a cost sheet and a report of the same. Garuda polyflex foods pvt Ltd at jigni by help of manager **Angel Abraham** the industry is all about the **gonemad choclates factory** on 6th July 2022 jigani bomasandra

The Field visit thus gave the students an opportunity to see the various working process which took place in garuada Pvt. Ltd. and also gain some knowledge regarding various parts of products. Hence this visit ensures that students have some idea about how the industries are actually working in their fields.

This Field visit was Informative event for all the students and also was very crucial for development of our practical skills and other activities of the industry. We got the knowledge on different types of machines used and the accounting practices and also had an opportunity to research on it. Hoping to get more chances further for our students to have such an informative & wonderful experience of visiting different fields. How to manufacture the gonemad chocolate stick quality and quantity used and the no of sticks they produce per day and monthly income we leant many things and we saw lively how they use the machine and process of batter raffer and chocolate filling packing dispatch with the help of the factory Angle Abraham the manager of the industry

Thank for the opportunity for the field visit of Garuda polyflex foods pvt Ltd
