

# ST FRANCIS DE SALES COLLEGE

Permanently Affiliated to Bangalore University || AICTE Approved Electronic City, Bengaluru - 100

Reaccredited by NAAC with 'B++' Grade || Recognised under section 2(f) & 12(b) of the UGC Act || An ISO 9001: 2015 Certified Institution

## A FRANSALIAN INSTITUTE OF HIGHER LEARNING

<b>Title</b>	FIELD WORK
<b>Date of Event(s)</b>	29 November 2022
<b>Department/Association/ Cell/Committee</b>	Department of commerce
<b>Venue</b> (Mention the platform if it is online)	Rajaji Nagar industrial town
<b>Number of Participants</b>	69
<b>Target Audience</b>	B. Com

<b>Event Coordinator</b>	Mr.Mohana C
--------------------------	-------------

### Introduction:

Purpose of the Field Work

Educational Enhancement:

Academic Exposure: To provide students with practical insights into the application of theoretical concepts learned in the classroom.

Skill Development: To enhance technical and practical skills by exposing students to real-world industrial processes.

Industry Insight:

Understanding Operations: To gain a firsthand understanding of how industries operate, including production processes, quality control measures, and safety protocols.

Market Awareness: To expose participants to industry trends, market dynamics, and competitive landscapes.

Networking Opportunities:

Professional Networking: To facilitate interactions between students and industry professionals, fostering potential future collaborations or employment opportunities.

Industry Contacts: To establish and strengthen relationships between educational institutions and industries for mutual benefits.

#### Career Exploration:

Career Guidance: To help students explore potential career paths within specific industries by witnessing the work environment and job roles firsthand.

Industry-specific Knowledge: To provide insights into the skills and knowledge required for various roles within the industry.

#### Research and Innovation:

Technological Advancements: To expose participants to the latest technologies and innovations within the industry.

Research Opportunities: To identify potential areas for collaboration between academia and industry in terms of research and development.

#### Quality Assurance and Benchmarking:

Quality Standards: To understand the industry's adherence to quality standards and benchmarks.

Best Practices: To identify and learn from industry best practices in areas such as production efficiency, sustainability, and safety.

On 29<sup>th</sup> November 2022 at 11:51 in Rajajinagar industrial town.

#### Objective of the Visit.

- Provide students with a practical understanding of concepts learned in the classroom and how they are applied in real-world industrial settings.
- Offer participants a hands-on experience to enhance their practical skills and knowledge.
- Understand the dynamics of the industry, market trends, and the competitive landscape.

#### Learning Outcomes:

- Enhancing technical skills relevant to the industry.
- Understanding the importance of safety measures and protocols in an industrial setting.
- Learning about industry-specific regulations and compliance standards.
- Developing communication and networking skills by interacting with industry professionals.
