Alumni Raghul covered broad areas of sap courses available for the student right from being an entrepreneur or looking for jobs. He also spoke about various options available to opt for the sap courses.

The session enabled students to clear doubts regarding master sap courses like human resource software, database management, business training, etc. Students found this session as informative as well as interactive as it enabled them to know about various options given under this course.

He also explained how to attend interviews and how quick, dynamic, and smart the students should be during placement opportunities. He shared his personal experiences to motivate the students; by sharing the students came to know how interesting and inspiring is his journey to his current position. The students gained a wide range of knowledge on how to proceed with their future.

**Outcome:**

Was equipped with the needed guidance and direction regarding sap to choose the right career an insightful session on career growth was held for the students of final year BBA.
