On June 1, 2023, a comprehensive "Workshop on SAP Software" was conducted at the Closed Auditorium in SFS college, Bangalore in Association with GRTRC. The workshop aimed to provide insights into SAP software specifically tailored for BBA students.

The workshop spanned from 10 am to 2 pm and was exclusively targeted towards BBA students, allowing them to explore and understand the applications of SAP software in the business domain.

www.sfscollege.in

The event had Mr. Ajay, an expert in SAP technology, as the esteemed Chief Guest. The workshop was efficiently managed by the Event Coordinator, Prof. Devi, and was organized without any remuneration requirements. This reflects the commitment of the organizers to providing valuable knowledge and learning opportunities to the students.

The workshop took place at St. Francis de Sales College, which provided an excellent venue for conducting the workshop. Since it was held within the college campus, no transportation was required.

The event fell under the category of "Workshop on SAP Software," and aligned with the practical skill development needs of BBA students. The workshop was made possible through collaboration with the Government Tool Room and Training Center, Bengaluru. This collaboration added further value to the workshop and provided the students with knowledge about the structure of the studio.
