'Talent wins games, but teamwork and intelligence wins championships' goes a quote by Michael Jordan.

SFS College witnessed a combination of talents, teamwork and intelligence oriented towards winning the championship during the 6th annual inter-collegiate and inter-corporate sports fiesta 'IGNEOUS 2018' which was organized on 23-10-2018.

The event was inaugurated by Dr. Henry. G at 8:30 am. It witnessed an entry of more than 15 teams in both football and basketball from various corporate and colleges from all over India. Following the inauguration were moments of tension and suspense on the field. The galleries were filled with sports lovers whose buoyant presence added color to the event. The teams which could combine their talents with teamwork to withstand the pressure of the game found their way to the finals. The final match went on to the final moments and brought the supporters to their toes and put forward a real show of sportsmanship. At last St. Joseph College came out winners by taking home the winners' trophy for the first time in the history of the tournament.

The education sector should play a crucial role in promoting sports in India.

Sports education not only builds physical stamina but also instills qualities such as obedience, determination, willpower, and discipline.

Some of the positive effects of Igneous are:

- Introduction of sports curriculum at an early stage can act as building blocks for future sportspersons
- It can develop a strong ecosystem, along with other stakeholders such as authorities, federations, sports clubs, etc.
- It will generate employment opportunities for people such as coaches, physical trainers, and sports facility operators
- It will provide educational opportunities through scholarships for underprivileged talent.

Igneous provides an opportunity to colleges to gauge their sports skills on the field. It is a unique sports event in the city which brings together the talents of both football and basketball under one banner from corporate as well as colleges from all over India.

It was a memorable two days event filled with programmes and activities. The turnout for each day was even more than anticipated. SFS College lays special focus on awakening the sportive talent of our students. To celebrate the spirit of teamwork this sports event has been conducted.

This event has the activities which were the most happening thrills of life. They teach us the various qualities like dedication, leadership and discipline. It is a fact that sports and games are a very good activity for not only the students but also for all human beings which gives energy and spirit to life.

For many students' colleges -organised sports play an important role in their academic and social experiences. Every college has sports embedded in their curriculum as they understand the importance of physical health and activity. The tournament was a proud moment for the College as again the SFS College got their chance to take the trophy home in both Basketball and Football for Men since the origin of the tournament.
