On April 1, 2023, a significant event called "Harnessing Growth in Healthcare Vision 2030" was held at the Closed Auditorium in St. Francis College, Bangalore. The purpose of the event was to discuss and explore the future prospects and challenges in the healthcare industry, envisioning its growth until the year 2030. The event was held from 10 am to 2 pm and was aimed at BBA

Electronics City P.O., Bengaluru - 560 100

students, providing them with valuable insights into the healthcare sector's potential for growth and development. The distinguished Chief Guests for the occasion were Dr. Kirti Udayai and Dr. Amita, both experts in the healthcare domain. Prof. Geetha P.S served as the Event Coordinator, ensuring smooth organization and execution of the event.

The event was organized with a generous spirit as no remuneration was required for the Chief Guests, highlighting the commitment of the organizers to fostering knowledge-sharing and learning opportunities.

The event "Harnessing Growth in Healthcare Vision 2030" took place at St. Francis de Sales College, which provided a perfect setting for the discussions and deliberations. Since the event was held within the college premises, no transportation was necessary.

The focus of the event was on identifying strategies and potential avenues for growth in the healthcare sector, falling under the "Harnessing Growth in Healthcare Vision 2030" category. Thanks to the collaboration with IIHMR (Indian Institute of Health Management Research) Bengaluru, the event's credibility and depth of expertise were enhanced.

The event played a pivotal role in enlightening BBA students about the challenges and opportunities in the healthcare industry. The collaboration with a prestigious institute added to the event's content and significance, leaving a lasting impact on the attendees and fostering a vision for a thriving healthcare future in India.
