Alumni Shravya explained various job roles with respect to Human Resources, Marketing, Accounts, and Finance. Because of demand for a multi-skilled workforce has raised drastically, she requested all the students to take two internships and a certificate course in their area of interest. She also explained how to attend interviews and how quick, dynamic, and smart the students should be during placement opportunities. She motivated the students to harness their unleashed potential and grab every single opportunity right from the very beginning to broaden their career prospects. She also shared her personal experiences with the students and to know how interesting and inspiring is her journey to her current position. The students gained a wide range of knowledge on how to proceed with their future.

**The outcome of the program:**

The session enabled students to clear doubts regarding career-oriented job opportunities. Students found this session as informative as well as interactive as it enabled them to know about various job roles for career growth.
