## Report On Placement drive in association with Mentormind

Title	Placement drive
Date of Event(s)	17 <sup>th</sup> February, 2023
Department / Association	Placement Cell in association with <b>Mentormind MOU</b>
Venue	College Auditorium
Number of Participants	50
Target Audience	All BCA final year students

On February 17th, 2023, the placement cell of SFS College, in association with Mentormind, organized a placement drive for final year BCA students. About fifty students attended the placement drive, and among them, four students were finally shortlisted for further training and placements provided by Mentormind.

During the placement drive, the students learned how the placement process works and the different levels of interviews conducted by multinational companies, including the MOOC interviews.

The team from Mentormind was happy to come to our college and conduct the placement drive, which turned out to be very successful. Mentormind began as an educational training company and has created a niche for itself in the emerging technology training space. At Mentormind, students get more than just a job and financial freedom. They guarantee proficiency in emerging technologies, creating opportunities, a fulfilling career, training students to close skill gaps, transform businesses and empower India.

Mentormind promises to provide students with more than just a job and financial freedom. They guarantee proficiency in emerging technologies, create opportunities, and promise a fulfilling career. They train students to close skill gaps, transform businesses, and empower India.
