On Republic Day the 26 January 2019, around 43 students of the North East Desalite Association (NEDA) and the Department of Sociology of St. Francis de Sales College came together for a friendly football match. Under the guidance of their coordinators Mrs. Elizabeth. On this great day when the nation celebrated the governance for the people, by the people and for the people, the students participated in friendly games. Rev. Dr. Roy, the Principal and Rev. Fr. Jijo, the Vice Principal felicitated the winners of the games with prizes and cheer.

The day on 26 January: An exciting football match between 1st year and 2nd year students of the College was held in a befitting manner in the college field. In the match 1st year students defeated their seniors by 1-0 goal after extra time. It is the first time in the history of the college that 1st year students won any title by defeating 2nd year students.

Presided over by the Principal of the college, the chief guest of the day was Rev. Fr. Lalu MSFS, (Parish priest). The match was full of excitement. Both teams tried their best to win. Both of them were equally strong and showed their excellent skill and performance.

Before distributing the prizes, the Chief Guest delivered his valuable speech. In his speech he gave much importance to the need for arranging such tournaments in the College. He encouraged the students for their laudable performances. Manojish, a second year student, was selected the best player of the tournament.

Overall the tournament was a success for all involved. The participants got to mix with people and to compete with one another. The tournament prizes, engraved trophy and medals to the winners along with a box of beer each for the winners and runners up, were well received and even those who lost hung around to watch the final games. A detailed list of the results and final standings is contained on the next page. There are a few areas where the tournament could be improved from next year. It would be better if more teams can be accommodated.
