Dear Sir/Madam
This is Aditi Sharma from BA(HEP)
During the admission I was told that I will receive discount in my fees in the form of check till December as I have scored above 92.3% in my puc
But I didn't get any scholarship
Then I was asked to complete my whole fees and then I will receive discount.
Now I have completed all my fees but still I didn't get any discount
In this pandemic situation it's really hard for me to pay whole fees even then I paid but still I didn't get scholarship
Please I request you to approve my scholarship
Thank you
I will always remain grateful to you

Dear Aditi Sharma

The college has not started disbursing the scholarships due to covid-19 impact on funds. As soon as the college starts disbursing the scholarships to students, you will also get. Kindly wait for a few more days for the college to reopen and you will get the scholarship that is your due.

Principal.
