“If you are brave enough to say goodbye, life will reward you with a new hello.”

PG Centre of SFS College organized a grand farewell party “SAYANORA” for our outgoing final year students by the College management and Staff on 15-05-2019 in the closed auditorium where students of M.COM, MFA, MA and MSc Psychology participated. The farewell was arranged at our auditorium on the cool evening but the entire ambiance was so warm with outpouring emotions of the outgoing students.

“The two hardest things to say in life are hello for the first time and goodbye for the last.” Farewells are not so easy especially when the people you have to leave are very dear friends of yours even at this age of advanced technology. Most of the outgoing students struggled to control their tears and the programme was organized so well to make them feel proud of the College and the friends with whom they shared their lives.

The Principal Rev. Dr. Roy expressed his thoughts about the outgoing students of PG Centre with great enthusiasm and of course nostalgia. The Vice Principal Fr. Jijo Jose in his speech wished good luck to the senior students for their future and appreciated the efforts of first years. He also expressed his hope that students will continue holding top positions in the university.

Staff gave their support by entertaining them with cultural programs like singing, dance, comedy shows and they all enjoyed their heart out. Some of them spoke about their fond memories in the College and they were so touching and heart-warming.

As they were also preparing for their final semester exams the Management, faculty and their juniors wished them best of luck. It was expected that they would make the College proud with their scoring for the exam.

The farewell was organised by the combined efforts of many people. A sincere thanks to the Principal Rev. Dr. Roy for his timely guidance. Rev. Fr.Jijo Jose who looked into every minute details of the plans and his meticulous planning and careful execution of the plans. The PG Coordinator Dr. Gurubasavaraja also did his best in giving good ideas and all other staff members for their whole hearted support and collaboration. The people who deserved the best thanks are the first year PG students who left no stone untouched to make the programme meaningful and heart touching. The real thanks was the right of the final years who were there for us all this while and were going out.

“May good luck be with you, wherever you go, and your blessings outnumber the shamrocks that grow. May your days be many and your troubles few.....May your heart be strong, May you find what you are seeking wherever you roam.....” Audieu!
