Placement Cell of St Francis desales College in collaboration with ICAI organised a Counselling Programme on Chartered Accountancy Course for the Final Year PG students.85 students attended the online webinar. The role of Chartered Accountant is rewarding, challenging and dynamic. Generally, most of the countries have their own Accountancy Association controlling the quantity and quality of the professionals regarding the field. Chartered Accountant Course is beneficial for gaining knowledge of accounting in our country and was introduced in 1949 along with the Chartered Accountants Act. And in the same year, the Institute of Chartered Accountants of India (ICAI) was also established.

Highlights of the session:

The importance of the CA course and significant role of the Chartered Accountant was explained to the students. Currently accountancy has gained so much of surge in popularity. The services provided by a CA is essential in money related matters concerning even small business as well.

Furthermore, **CA professionals** are the only person responsible for companies' audit in India. A CA is considered as a member of the Institute of Chartered Accountants of India (ICAI) after clearing the final examination of the CA course regulated by the ICAI.

This is a globally recognized qualification, so CAs are considered perfectly suited for a global scale qualification. The training program for a chartered accountant is also meant to make them aware of the industry work, face any circumstances, and how to treat with complex and difficult matters of the finances of an organization.

Benefits Attached to Chartered Accountant Profession in India:

- Analytical and Problem-Solving Ability
- Various Career Choices
- Occupies High-Level Strategic Skills
- Demanding Career Choice
- Help In Society Improvement
- Plays a Role of Responsible Person

To conclude the session though distinct in its approach had a common objective – to provide the students with the best of knowledge in that particular area. The session received extremely positive feedback and the College intends to provide such opportunities to students in the future as well.
