The objective of the Program: The main objective of this orientation is that the student can learn about research, how to write research articles, and how to prepare themselves for the Student National Seminar and other conference and journal articles.

The outcome of the program:

Students can learn about what research is, how to select a research problem, how to write a research article, and how to publish that article. This knowledge will help the students appear for seminars, conferences, Projects, and post-graduate degrees. The students can write the article based on the orientation, in that orientation I have explained about what are all the important sections of a research article as what is abstract, introduction, literature review, research methodology, result and discussion, and conclusion

The students are getting towards research by starting with a Literature review, after go through some research journals they can get the knowledge in the specified field of research.
