Objective:

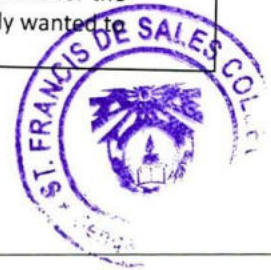

The main objective of conducting the session under Aspire and Incubation cell is to make the students to get equipped with the knowledge and skill to make a successful entrepreneur.

Introduction:

The ASPIRE Entrepreneurship & Incubation cell organized a session on "My story- Motivational talk by a successful entrepreneur" was conducted on 25/11/2022 for BBA III Sem students. Nearly 100 students attended the session along with the two faculty members in the Business Lab. The session was presided by Mr. Varun Roy, serial entrepreneur and transformational motivator. He has started the session with asking the questions like who is an entrepreneur, what is an entrepreneur. How we can be a successful entrepreneur. He was interacting with the students regarding these concepts. He also informed the students about how a small negativity has made him an entrepreneur.

He also stated that a small idea can make a person to become a business man, idea and aspiration regarding that idea may lead to success. The steps taken to reach that aspiration and the idea which has clicked may not be the success one but the base idea will remain the same. He has explained about his experience in becoming the entrepreneur in life even though we are not success in some field we will become a successful person in life. The determination towards any concept will lead us to success.

The session was really a motivation and Inspiration to the students as it is a real life experience for the successful gateway for the success. It was really a useful session for the students who really wanted to become an entrepreneur.
