Science is extremely diverse but converging and overlapping. Considering the importance of science and mathematics in today's world, it becomes essential to undertake scientific global inquiries in various aspects. This seminar is a crucial step of the Department of science, St. Francis de Sales College towards bringing various branches of science and mathematics together. The seminar will focus on nurturing the research culture among Post graduate as well as graduate students through paper presentations. Ankuram 2023 Student National seminar was conducted on 23rd & 24th June 2023.

Day 1: 23/06/2023

Inaugural Session

The session started with the welcome and introduction to Ankuram 2023 by Prof. Shanmugapriya, Head, Department of Science PG. Desalite Keerthana introduced the speaker of the day to the audience.

Technical Session 1:

The keynote address was followed by the technical talk on Standards & Quality Parameters. They explained in detailed about the structure of Indian standards. Later a topic was given to students to write standards. 53 standard club members participated in the competition. The written standards were evaluated by the resource persons and prizes and certificates were given to students.

Technical Session 2:

Technical session 2 continued after lunch break. The Technical session 2 opened with the welcome to BIS members. There were two poster presentations on Indian Standards.

Day 2: 24/06/2023

Technical Session 3:

The session started with the welcome and introduction to Ankuram 2023 by Prof. Shanmugapriya, Head, Department of Science PG. Desalite Keerthana introduced the speaker of the day to the audience. This year, Ankuram 2022 could bring the students before the mindfulness of a resource person like Dr S Bhavani, Assistant Professor, PES University, RR Nagar, Bangalore. She finished her PhD in thin polymer electrolyte films and published 14 research papers in various International Journals.

Dr Regimol G George guided the students as session co-chair for offline session. Also, in order to improve the efficacy of the online evaluation for best presentation and best paper, review committee assisted the entire sessions.

Later on Dr S Bhavani took over a session through a keynote address. Dr S Bhavani explained about the $(0.1)^{365}$ theory very well. The keynote address was followed by oral presentations by the student participants. There were 13 presentations under Technical session 3. All the presentations were based on the theme and subthemes given by the department.

Technical Session 4:

Technical session 2 continued after lunch break. The Technical session 2 opened with the welcome and introduction of two session chairs. Later on the session had oral presentations by students. There were 14 presentations in technical session 4. All the presentations were based on the theme and subthemes given by the department.

Valedictory Session:

The valedictory session started with the concluding remarks by Dr Nebuka Murukesh, Head, Department of Science and also she consolidated the two day's proceedings. At the end Mounika S, Kanaka & Yakshith of VI Sem BSc(PCM), St. Francis de Sales College, Bangalore was announced as the best presenter at the end of the session b St. Francis de Sales College, Bangalore was announced as the best presenter at the end of the session by Prof. Rashmi N, Coordinator, Department of Science and participants were requested to submit the feedback form through the link provided through mail. It was also informed that the best paper award winner will be intimated through mail after reviewing the papers and also by considering the recommendations of the chair and the co-chair.

Later on, a vote of thanks was expressed by Desalite Nithin.
