“Let us remember: one book, one pen, one child and one teacher can change the world...”

Malala Yousafzai

Teachers play an extraordinary part of our lives. They are the people who educate the society and impart their knowledge upon impressionable years. Teachers matter in so many different ways. They are the reason why we have engineers, doctors, pilots, and many more professionals scattering all over the world. What we learn from them at a very young age will most likely stay for the rest of our lives.

We all know that their job is hard and at times may seem like energy is in short supply. Sometimes they also need a little motivation that'll encourage them and boost their energy to continue their passion and profession.

A teacher is the one who teaches a student the various aspects of life, the discipline and moral principles of life to adhere to the rules of life. Teachers are responsible for the prosperity of a student and that is why their place is above God. According to the Indian customs, it is said as 'Matha Pitha Guru Daivam'. To give an expression to their love and appreciation of their teachers in SFS College, teachers' day celebrations were organised by the student Council on 5 September on the occasion of the birth anniversary of Dr. Sarvepalli Radhakrishnan, the second President of India. He was more famous as a teacher, philosopher and a diplomat.

After a few hours of class, teachers were called to the auditorium for the celebrations. They were lovingly welcomed at the entrance to the auditorium. Teachers were the guests along with the Principal and the Vice Principal. First and foremost the presence of God was invoked followed by the welcome Speech whereby all the participants of the programme were cordially welcomed by the chairperson. After that the Indian lamp was lit reminding the teachers that their role is to illuminate the hearts and minds of students with the ray of knowledge. Later on a thematic dance, a mime etc. were performed by the students. Teachers usually run around for planning and organising programmes and hardly would they get chances to express their talents. Some of the good singers from among the staff sang songs. Few games were also organised by the students which brought a lot of laughter to the celebrations.

In his speech Rev.Dr. Roy the Principal remembered his own teachers and thanked the teachers for the committed service rendered by the teachers without even bothering about their health and wellbeing. Principal also thanked all those students and staff who donated blood as a mark of respect for their teachers. Rev.Fr. Jijo quoted his own experience of being touched by the teachers who taught him and said that teachers affect eternity. He also thanked the staff for their dedication and hard work.

The programme came to an end after the vote of thanks and national anthem. The lunch was enjoyed by all.
