Writing is an important skill for students that would help them to excel in academics as well as their career. Writing help students to express themselves with ease and it also helps them to improve their spelling, grammar and punctuation. Students demonstrate their understanding of complex concepts with greater ease if they have practiced their writing skills. Writing is a creative skill and is essential to express one's thoughts and ideas effectively. One of the best ways to help students master writing skill is to give them ample practice in writing. There are different forms of writings; one of them is report writing. Reports are responses to specific requirements. A report discusses a topic in a structured, easy-to-follow format. Report writing is important for students as it helps them to write effectively. It also helps students to convey information in a formal and professional manner.

To help improve the report writing skills of the students, a report writing activity was conducted for the second and fourth Semester B.Com and BCA students between 06.09.2021 – 11.09.2021. However, before conducting the activity, a session on how to write a report was conducted for the students so that they understand the process of writing reports. They were also taught the different types of reports.

topic given to the students was '75th Independence Day celebration'. Since Independence Day had just been celebrated in India and also on the campus of our college, it was easy for the students to recollect the facts and write the report.

The students were very eager and enthusiastic to participate in the activity. Students got to know how to write an event report. Students enjoyed the activity since it improved their writing skills. It also helped them to improve their vocabulary, grammar, spelling and punctuation.

REPORT ON INDEPENDENCE DAY-2021.

India gained independence from British Rule on August 15, 1947. As India freed herself from the clutches of the British empire, the whole country roared in happiness, marking the region of an independence and free land, away from the cruel rule of the 200-year British rule.

Indians make an effort to dress in a specific way to celebrate their nation and culture. Kite flying is another tradition that is followed on independence day with people of all age groups as participants. It represents the freedom that we achieved on this day. The prime minister of our country flies the flag at the Red Fort. A parade with members of the army and police also takes place. A speech to the nation is delivered by PM where he speaks on the country's accomplishment in all these years. He even speaks about the goals for the future and our PM paid tribute to those who died to the virus saying "The pain of losing them will stay with us and praised India's Vaccination programme. He touched all the sectors in his speech that was a memorable and proud moment as always.

Report On Independence

Day - 2021

It is the 75th Indian Independence day this year which means India has achieved 74 years of freedom. We as Indians pay respect to all the leaders who fought bravely for our nation's freedom in the past. On this day, the prime minister of India will hoist our tricolour flag at the Red fort, Old Delhi. He will also deliver a speech to the nation as well. However, all cultural programs and school celebrations won't occur this year due to the COVID-19 pandemic. The national anthem is sung on this day, flag-rising ceremonies and drills are also conducted in every corner of the Country.
