

Report on industrial visit to IBAB, Bangalore

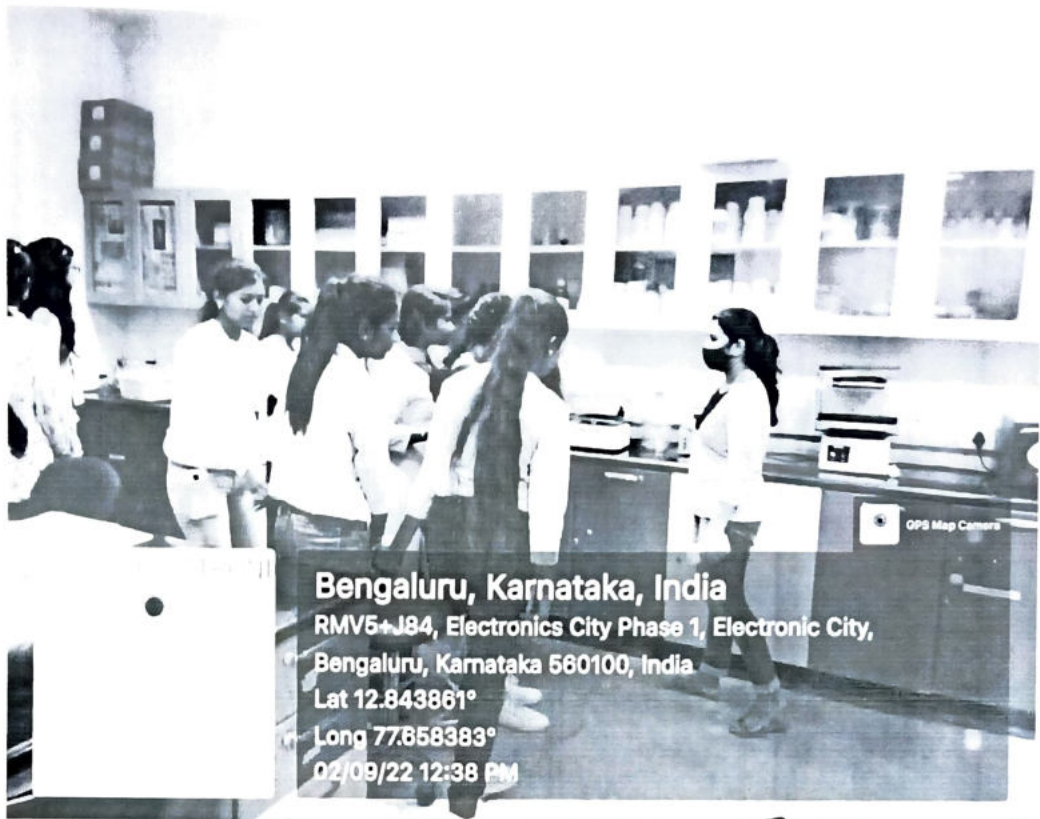

Title	Industrial Visit
Date of Event(s)	02/09/2022
Department Association	Department of Science
Venue	Institute of Bioinformatics and applied Biotechnology Electronic City, Bangalore
Number of Participants	61
Target Audience	Faculty members and first year students, Department of Science
Resource Person(s) with qualification	NA
Books (if published)	NA
Place of visit/ details of Industrial visit place (if applicable):	Institute of Bioinformatics and applied Biotechnology Electronic City, Bangalore-100

The Department of Science organized an Industrial Visit to Institute of Bioinformatics and applied Biotechnology Electronic City, Bangalore on 2 September 2022 for the first year BSc students. A team of 61 students along with 3 faculty members visited the institute set up by the Department of IT, BT and S&T, Government of Karnataka.

IBAB has been a 'Centre of Excellence for Research and Training in Bioinformatics' of the Department of Electronics and Information Technology, Government of India. The institute is located in a 20-acre campus in Electronics City with excellent infrastructure, students' hostel and other amenities. It has several state of the art facilities to its bioinformatics and biotechnology laboratories to enhance its training and research capabilities. IBAB also hosts GANIT Labs, a multi-institutional public-private partnership under the aegis of Department of Electronics and IT, Government of India, and Department of IT, BT and ST, Government of Karnataka, that works in the area of genome sequencing and data analysis. The institute runs an MSc in 'Biotechnology & Bioinformatics' (recognized, and the degree awarded by the Bangalore University, Bengaluru) and a Ph.D. program (degree awarded by Manipal University).

The visit helped the students to know about the various aspects of bioinformatics as well as an insight into the research and development activities in biotechnology. The chemistry students of our college got an idea regarding research lab after visiting the DNA sequencing and biochemistry labs. Even though the terminology used to the computer science students were a little tough for them to understand, they could recognise the application of computer science in the field bioinformatics.

Dear Sir/Madam,

Greetings from St. Francis de Sales College !!!

St. Francis De Sales College, Hebbagodi is manned by the Missionaries of St. Francis de Sales (MSFS) of South West India Province with more than a decade long presence, supporting value based education, offering undergraduate and post graduate courses in various disciplines.

We are interested in taking our BSc students for an industrial visit to your organization. So kindly guide us in this regard and grant permission for the same.

Anticipating your reply

Dear Rashmi,

Greeting from IBAB

As per general guidelines and institutional policy, We are allowed only one college per quarter. We have already given permission to one of the colleges in this quarter of the year.

We can arrange your visit in the month of September 2022.

Please confirm the same

Regards

Humera

Dear Sir/Madam

St. Francis de Sales College, Hebbagodi is manned by the Missionaries of St. Francis De Sales (MSFS) of South West India Province with more than a decade long presence, supporting value based education, offering undergraduate and post graduate courses in various disciplines.

As a part of the curriculum, industrial visit is mandatory once in a year for our BSc students. So, as to provide the real insight of working procedure of an esteemed organization like yours and also to fulfill the curriculum demands we request you the industrial visit.

Kindly accord permission to a team of 61 students from first year (II Semester) BSc and three faculty members on 2nd September at 11:30 am to visit your esteemed organization.

The list of students and the teachers are also enclosing herewith this letter

Thanking you

With best regards
