Dear Madam,

Good afternoon,

With reference to our earlier discussion, Pls find the agenda of your student's visit to Buhler on 06.09.2022 -

Table with 3 columns: Time, Activity, Person/IC. Rows include arrival, safety awareness, tea break, factory visit, and closing.

Hope this meets your requirement. And pls inform the students about the following -

- It is mandatory to wear a safety shoe during the factory visit. But, it would be better if students wear a leather shoe. Toe guards will be provided on top of it.
Students shall produce the vaccination certificate to security officials during the gate entry formalities.

Kindly revert if you need any clarifications.

With regards
Ravindra R A

You don't often get email from bba.desma@fsccollege.in. Learn why this is important.
