REPORT

The Department of Business Administration organized a visit to FAME INDIA - An NGO in Jayanagar, Bangalore, on 25th February 2022. As a part of community project work, 10 students from first-year BBA, accompanied by 2 faculty members visited the place at 10.30 AM. They met the differently abled children and it was a pleasurable experience. The students got an insight into what exactly happens at an NGO like this. Children who are differently abled are taught by experienced teachers with a lot of activities conducted for them. The visit made the students know the teaching-learning practices, special equipment used for teaching the children, programmes & events conducted, fund contributors, and special treatment given for special kids.

The visit gained new experience for the students to touch and impact the life of others directly.
