## REPORT

Department of Business Administration – BBA Aviation organised an Industrial Visit to Taneja Aerospace & Aviation Ltd. (TAAL) situated in Hosur, Tamil Nadu, on 9<sup>th</sup> February 2022

- The objectives of Industrial visit were:
- To learn and understand about India's first private sector company in the country to manufacture non-military aircraft.

  
**COORDINATOR**  
Department of Business Administration  
St. Francis de Sales College  
Bengaluru - 560 100.

- To observe and understand the various markings and support equipments used for take-off & landing of aircraft.
- To view and learn various parts of an aircraft (private Cessna), both exterior & interior
- To learn the objectives and purpose of Air Traffic Control (ATC) Tower

Students of SFS College were taken to TAAL, in Hosur, to observe and learn the various functionalities to an aerodrome which they have studied in theory classes. They had the opportunity of going up to the runway and understanding the various markings and objects required for smooth air operations at an aerodrome.

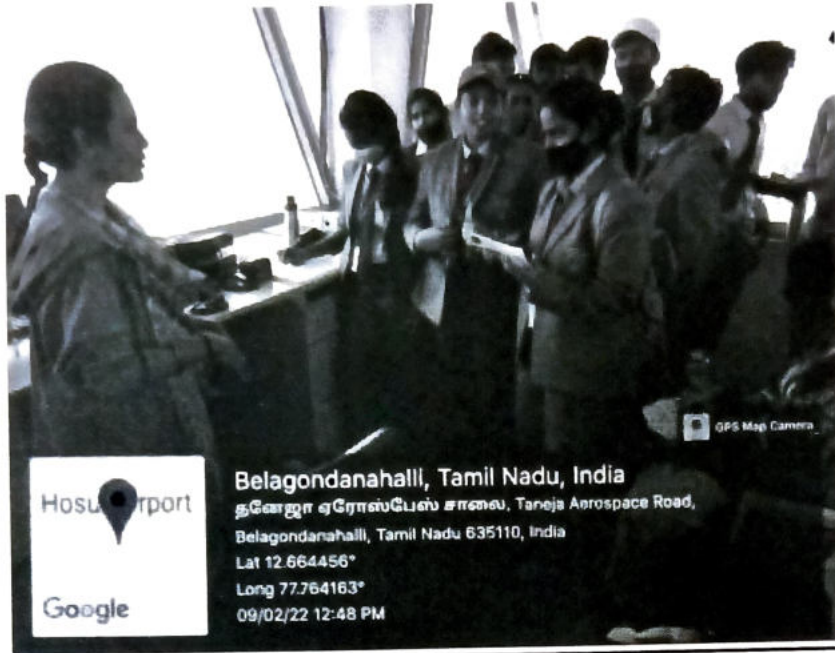

The students also had the opportunity of going to the ATC tower and interacting with the ATC Officer, whereby they understood the role played by the ATC for successful operations in aviation industry as well as learning the various equipments and codes used for Air Communication.

Lastly, the students were taken near the company's private aircraft to show them upfront exteriors & interiors of an aircraft. They were also permitted to view the cockpit and understand the various equipments required and their use during a flight.
