We all live Every day in virtual environments, defined by our ideas, Infosys Campus virtual tour from St. Francis de sales college organized by Department of computer applications for the final year students of BCA & B.Sc. (Mec & CJP). In this pandemic era to connect across the world seems to easier witnessing the technological advances.

We know, theoretical knowledge is not enough for making a good professional career. Virtual Industrial visit has its own importance in a career of a student who is pursuing a professional degree. It is considered as a part of college curriculum and these virtual will bridge the gap between theoretical training and practical learning in a real-life environment. It gives an opportunity for active/interactive learning experiences outside the classroom environment.

About Resource Person:

⇒ Suja works with HRD, infosys, working with Diversity and Inclusion team, She is also a part of Infosys spring board core team.

- ⇒ Sundar is an Associate Vice President and works for Education Training and Assessment department at Global Education Center, Infosys, Mysore. He has more than 26 years of experience in IT and Education and is associated with Infosys for more than 22 years. He is currently responsible for Wingspan offerings to clients.
- ⇒ In addition, he leads the Agile and DevOps enablement and STAR account enablement activities. Apart from these, he heads the Campus Connect function at Infosys. He was one of the members involved in setting up of GEC (Global Education Center), at Infosys Mysore.
- ⇒ Sundar holds a Bachelor of engineering degree in Electrical and Electronics Eng from Mysore University. He also holds a post graduate degree (M.Tech) in Power Systems from Mysore University and MS (Master of Science) in Software Systems from BITS, Pilani, Rajasthan. At present he is pursuing his research on Big data area at VTU (Vishweshwaraiah technology University), belagavi, Karnataka.

Objectives Of Industrial Visit

- **To provide students an insight regarding internal working of companies.**
- **To go beyond academics, to provide student a practical perspective on the world of work.**

Session began by the welcome address by the Dept. coordinator Prof Lakshmi CB, "Good things come to people who wait, but better things come to those who go out & get them". Welcoming Ms Suja ;Virtual Visit was facilitated by Ms. Suja Warriar Leader CSR and Employee Volunteering with Corporate Sustainability Reporting and Governance Team along with her role in Diversity and Inclusion, HRD. Ms Suja gave an insight of how a Software industry is and what are the challenges that we would come across while you look out for career opportunities. She gave a deep insight on idea generation and shared her experiences. This interaction gave the students an exposure to current work practices

A session by Mr Sundar on "How Technology can leverage learning experience, Career options and way forward/Infosys Springboard"; Sundar who is an Associate Vice President and works for Education Training and Assessment department at Global Education Centre, Infosys, Mysore Mr Sundar AVP principal Infosys Ltd. rightly said there is "no substitute to hard work & no shortcut to success".

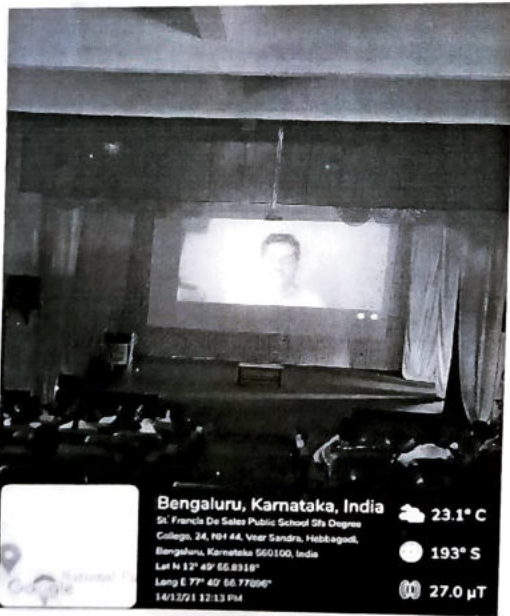

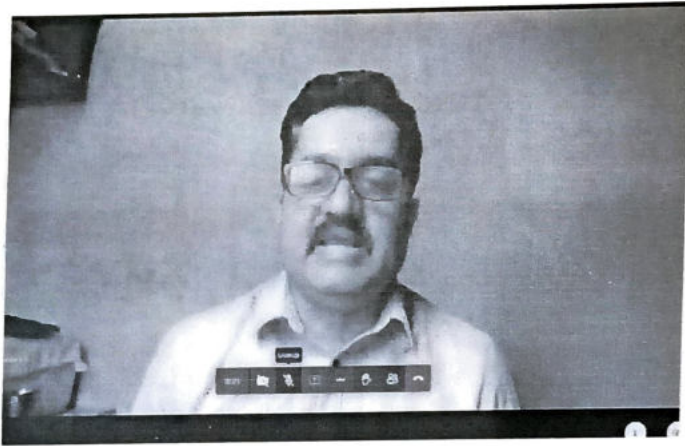

Students had a thoughtful session on design thinking approach and be a problem finder than a solver.

Hi Lakshmi

Thanks for sharing this mail, because of some review meeting, no educators are available, but I am getting a very senior person from Education, training and assessment to address the students on Next Tuesday, he is already blocked his time for the same, Please check whether this is fine, in that case, we will do the virtual industrial visit, an interactive session of 30 minutes with our team on next Tuesday

Stay safe

Best Regards,

suja warriar (She/Her)
