### INTRODUCTION:

To be able to read, is one of the most underrated privileges in the world. With the aim of inculcating a love for reading, in the minds of young children, the Library of SFS College organised a Book Donation Drive. Donate-a-Book is an initiative taken to help bridge the gap between those who want to help students read and those who need books. Together we will build a Reading India by making storybooks accessible to all and spread the joy of reading.

The aim of the campaign is to see more students read, and that is why every LIBRARIAN on this platform goes towards the books, and ensuring they reach the children for whom they are
