The session went one and half an hour enlightening the knowledge of students. The students came to know about their strength and weakness and how can they explore themselves in the labour market. The programme benefited the students in planning and organizing their career. At the end of the session students raised questions and all the doubts of the students were addressed effectively by the speaker. And the virtual session came to an end with the vote of thanks. And student's opinion was collected through G-Form link.
