Modern-day corporates have a knack for fierce competition. Although it is undeniable that professional opportunities have grown, but the demand for a multi-skilled workforce has also risen drastically. COVID-19 pandemic has changed the hiring trends across the globe. Employers are looking to hire candidates with expertise in more than one field & expect their current employees to upskill for maximum productivity. The pandemic has changed the professional scenario for good. But, the important question is, how can the students fit in?

Alumni Surya Prakash covered broad areas of choice available for BBA graduates. He shared his personal experiences to motivate the students, by sharing the students came to know how interesting and inspiring is his journey to his current position. He spoke about MOOC, SWAYAM, NPTEL courses and many more. He suggested the students to take Data Analytics, Digital marketing, Business Analytics, HR Analytics, etc. He also explained on how to choose the course at minimal cost.

The session enabled students to clear doubts regarding career oriented online certificate courses. Students found this session as informative as well as interactive as it enabled them to know about various course for career growth.
