On 19th May 2022, there was a virtual interview test conducted by the Piramal Retail Finance Company with the coordination of the Placement cell of the college for the registered students. The students were sent a link with the detailed instructions by the company, which was communicated by the placement officers. Around 90 students had registered themselves for the test and 60 students completed the test without any issues.

The Piramal Finance is wholly owned subsidiary of Piramal Enterprises Limited (the flagship company of Piramal Group), engaged in financial services business. It provides both wholesale and retail funding opportunities within real estate and non-real estate sectors. Within real estate, the platform is capable of providing financing solutions across the entire capital stack ranging from early-stage private equity, structured debt, senior secured debt, construction finance, flexi lease rental discounting and housing finance.

The company concluded its talk by intimating the students about an online interview test which was compulsory to be cleared to be a part of the company as an employee in detail.

As the Piramal Finance is wholly owned subsidiary of Piramal Enterprises Limited (the flagship company of Piramal Group), engaged in financial services business, the students took active part and looked forward for a positive outcome of the test.

The students thanked the management who provided them this opportunity and the placement officers who took special interest in helping out each student to take their exam without any glitches
