Preparing for industry needs is nothing but the act of complementing students' academic knowledge with the practical field skills that will be the centerpiece of their future employment activities. It enables the students to hone their skills and learn the managerial responsibilities to grow further in their careers. Academics, practical knowledge, and industry exposure moulds students better.

Alumni Collaborative activity was organised on 23rd August 2022 on "Preparing for Industry Needs" by the Department of Science in Collaboration with AMIZADE for B.Sc III year MEC students to make them aware about various IT opportunities in the field of Science after graduation. The Resource person for the session was Ms. Roshni G.

Ms. Rashmi N, Coordinator, Department of Science, welcomed and gave a brief introduction of the Resource person.

Ms. Roshni G, Network Engineer-Support Process, Tata Consultancy Services also apprised the students with various career options in the field of science. She motivated the students to be confident and communicative in life. Besides, hard work, time management and focus on the line opted are important aspects to be taken care of.

She explained 10 ways to prepare yourself as Industry Ready

- Practical knowledge of doing things
- Sharpen Your communication skills
- Inculcate the habit of innovation
