Department of Computer Applications as a part of **Cyber Spirits** Association organised an Discourse on **"IT TRENDS & CAREER GROWTH POST COVID-19"** for all the Freshers of BCA, B.Sc. (MEC & CJP). As the career trends in a post COVID-19 era are bound to change, it would be wise to comprehend the reality and to prepare the students for tomorrow was the real motto of the session.

About the Resource Person:

Mrs Manjula Kumar Director & Consultant Peritia Services having 20 years of experience in heading corporate upskilling training programs, Government skilling initiatives, apprenticeship promotion and CSR projects. Implemented sustainable livelihood special projects whilst simultaneously handling the academics, quality, key account management, operations and recruitment for the Learning services division.

Objectives

- To kick start a new academic session to comprehend with the pandemic era
- To understand the post Pandemic career trends
- To Explore new technologies and its impact now.

Vandana of 1st semester BCA welcomed the Guest of the Day Mrs Manjula Kumar.

The session began with a query

"Who would have imagined that Cloud Computing will be the foundation for each and every corporation in the future?"

The session enlightened students on the importance of Cloud computing , Edge computing the paradigm shift towards soft computing & Block Chain. Post covid 19 trends was emphasised also various organisations like Google and Microsoft there contribution to expand cloud network usage.

Mrs Manjula paved a new beginning to all freshers by quoting ***"Change is inevitable, in the foreseeable future, but the learning must go on"***.

She concluded the discourse on a positive note that the COVID-19 pandemic has encouraged us to acknowledge the sensitive nature of our career decisions, and how unprecedented events may lead to a complete turnaround. It is time for us to be pragmatic in our career choices, and our decisions should run in tandem with the career trends to follow in a post COVID-19 world.

The Guest of the day was Felicitated by the Head of the department Prof Sailaja .M and discourse ended with vote of Thanks by Devi Priya 1st semester BCA.
