On September 8<sup>th</sup> the Rotaract Club in association with DFFA decided to organise a event recognising the "Farmers of India". A dance sequence was organised jointly by the members of the Rotaract Club and Farmers Club. The dance included three songs praising the farmers of this country. The songs were in Kannada, Malayalam and Tamil.

September 8<sup>th</sup> was also "Thiruvonam" a major annual event for Keralites, It is the official festival of the State and includes a spectrum of cultural events.

Onam is celebrated for two reasons in Kerala. It is the homecoming of Mahabali the King who once ruled Kerala and a popular figure. It is also the harvest festival of the State and propogates the human race is all one.

The event organised in the College had three themes.

- 1.Cultural diversity
2. Harvesting festivals celebrated all of over India
- 3.The importance of the farmers who bring the food to our plate.

Father Roy, our Principal, Father Jijo our Vice Principal and Father Robin, our Financial Administrator were kind enough to join this event which was dedicated to the "Farmers of India".

As quoted by our honourable Prime Minister "The farmer of our country is the God of Labour , the Anna Datta".

The Principal addressed the students stating how important the farmers are in a country and their role in our lives. He specifically mentioned that they are the people who bring our food to our table. Father was also kind enough to thank the student participants .
