Report

The Chaucer's Academy, the Department of English conducted a poetry competition on the topic "Equality" for the students of Humanities on 09.12.2021. The topic for the poetry competition was announced to students prior to the competition and the students showed enthusiasm in participating in the event.

The topic "Equality" was chosen to make the students understand that every person should have the same opportunities, and no one should be treated unequally. This was the first event of the Chaucer's academy for the academic year 2021-22. The Coordinator of the Academy Prof. Francis Lopez had organised the event in a good way. Prof. Noor and Prof. Madhuramozhi took care of the execution of the event and there were eight participants for the competition. Each student's poem was immensely creative. It made the students think out of the box and unleashed the creativity of the students.

Photos of the Event to be attached as geo-tagged photos with the mail. (4 to 5 photos)
