The Department of Humanities provided students of our college with a Certificate course named "GLOBALIZATION IN MEDIA". A total of 100 students have registered and all the 100 students were benefited from the course.

The major objectives of the course are as follows:

The aim of the course is to focus media and growth.

It focuses on public

It even aims to focus on the modification and the enhancement of behaviours of the individuals.

The major outcomes are as follows:

To get a better understanding of how to maintain and promote health of individuals.

The major outcomes are as follows:

To get a better understanding of how to maintain and promote health of individuals.

A better glance of how stress is related to health.

A detailed view of how one can modify and enhance the behaviours of people.

The programme gave students a platform to understand the choice of psychological process and the relation it has with our health. They had a clear picture and understood the basics and the theories which are associated with it.

The fundamentals of the concepts were taught on the basis of the students understanding and keeping in mind the contemporary concepts in Psychology. The course also centered on bettering the crucial skills, understanding the personality of the individuals and many more.
