DEPARTMENT OF COMPUTER APPLICATION

PO-PSO MAPPING – NEP SYLLABUS

Graduate Attribute/Program Outcome (PO)

PO1- Disciplinary Knowledge

PO2-Communication and Interpersonal Skills

PO3- Critical thinking and Problem-solving capabilities

PO4- Team work and respect for diversity

PO5- Information and Communication Technology (ICT) digital fluency

PO6 -Self -directed Lifelong Learning

PO7 -Moral and Ethical Awareness/Reasoning

Program Outcomes: BCA (3 Years) Degree

PSO	Programme Specific Outcomes	PO mapping
1.	Acquiring and Exhibiting knowledge of Computer Science and latest technologies. Strong skills required to program and ability to apply and find solutions for problems of varying complexity.	PO1 PO3
2.	Improved reasoning with strong mathematical ability to Identify, formulate and analyze problems related to computer science to design and develop algorithmic solutions to real world problems and acquiring a minimum knowledge on statistics and optimization problems.	PO3 PO5
3.	Possessing a sound knowledge on computer application software and ability to design and develop app for applicative problems. Practicing existing projects and becoming independent to launch own project by identifying a gap in solutions.	PO4,PO3
4.	Exhibiting professional ethics to maintain the integrality in a working environment. Inspiration to continue advanced studies in Computer Science, be independent learner.	PO7,PO6

PRINCIPAL

St. Francis de Sales College
Electronics City Post, Bangalore - 560 100.

5.	Establishing excellent skills in applying various design strategies for solving complex problems. Identify, select and use a modern scientific and IT tool or technique for modeling, prediction, data analysis and solving problems in the area of Computer Science and making them mobile based application software	PO1,PO5
6.	Enhancing literary sensibility and Language skills	PO2
7.	Integration of multidisciplinary knowledge across the program. With exposure to interdisciplinary thought, to develop more advanced epistemological beliefs, enhanced critical thinking ability and metacognitive skills, and an understanding of the relations among perspectives derived from different disciplines.	PO1,PO2
