Objective:

The objective of conducting this investment management online certificate course is: The students will be able to get knowledge regarding basics of investment management and stock market investment.

Introduction:

The investment management certificate course was initiated by the department of commerce. To take up this certificate course both UG and PG students are eligible. The duration of the course was 30 hours undertaken in online platform. There were no registration fees. Course facilitators are as follows: Prof. Deepashree P, Prof.kavyashree B V, Prof Chaithra S, Prof Dhanujakshi A, Prof. Priya E.

This investment management certificate course consists of two modules fifteen hours each. Each module shall consist of 12 video's, two assignment's and one test (total 15). Two modules were framed. For the registration purpose google form is created from the official mail ID. Total 201

students were registered for this certificate course. Google class room created to upload the vedios. Among 201 students of all stream both UG & PG 160 students joined module one and 60 students joined for the module two.

Module one started by Prof. Deepashree with 5 videos from introduction to investment management till alternatives of investment. And it is followed by Prof. Kavyashree with 5 vedios and Prof. Dhanujaakshi with 2 vedios.

Module one contains the information relating to basic introduction of Investment, concepts of risk and uncertainty, Investment vs Speculation vs Gambling, and this unit also gave the knowledge regarding diversification of investment. This module was started in December and concluded in the first week of January. The module one was completed by giving an assignment to the students which they have to upload in Google class room and finally it was concluded by giving a test through google form. Those who passed in this module were promoted to next module.

Module two started during the first week of January and concluded in the first week of February. This module contains major concepts of this course. It contains topics like beginner's guide to stock market, introduced about the stock market and stock exchange, types of companies listed or traded in the stock market, scams relating to stock market, concepts of IPO, speculators, EMH theory and also it showed how to open a and operate a Demat Account. At last, this module was completed by giving an assignment to the students which they have to upload in Google class room and finally it was concluded by giving a test through google form.

During the first week of February this course was completed.

Outcome of the activity:

Gave the practical knowledge to the participants of this course. Created awareness regarding the selection of investment portfolios based on the risk associated with each one. Enhanced the knowledge of the students. Gave some idea regarding how to invest in stock market and how to open a Demat account. Overall, it gave a valuable information to the students who opted this course.
