Objective:

The main objective of the faculty enrichment session was to give a basic understanding about Why, What & How of Patents.

Introduction:

The ASPIRE Entrepreneurship & Incubation cell organized One Day National Level Faculty Enrichment Programme for faculties on 07th February 2022, Monday. The title of the webinar was on “Why, What & How of Patents”. The faculty enrichment programme focuses on the enhancement functional area expertise improving one’s knowledge and ability in patent. Faculties from various colleges from different states participated in this FEP. This faculty development programme is all about the research patent which helps faculty members develop and achieve at high rates apart from academics. Demand for qualified faculties were really high for past few years across the states. with this faculty enrichment programme, it trains them to get through the needs and qualities required.

The resource person Mrs. Latika Khanduja, sharès a lot of ideas and knowledge regarding patent which helped the participants to get a clear picture on the topic. It was really a great experience to hear from Mrs. Latika Khanduja who is a registered Indian patent agent, who is also a Founder & Director of IPLOEA. The talk about the patent was very effective and useful, and surely be implemented in the ideology which was thought. The participants came to know about the patent and its process and its major merits in the field of education. The resource person was good enough in answering all the doubts and clarifications in a lucid way. The faculty enrichment programme ended by 5 PM.
