| Department / Association | Aspire and Incubation Cell |

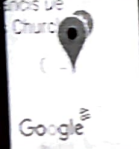

St Francis de Sales College has started the Aspire and Incubation cell in the year 2019. The main objective of this cell is to create a platform for the young creative minds to become an entrepreneur. The cell has supported the young entrepreneur to start their start up business at small investments.

The Aspire and Incubation cell organized the orientation program for the registered members of the cell. Dr. Rekha K. N, chief guest of the session addressed the students with the inputs relating to how start up can be made and how to generate the creative ideas and how that creative ideas will lead us into our business idea. She projected the session with various live examples and activities. She also projected the products of creative ideas and how it has turned into a competitive product. These are the various examples that led the students to understand the importance of innovative ideas to start a business.

The session was very useful for the students nearly 50 students attended the session. The students felt it was very useful and encouraging session to start a start-up with various ideas, the student also understood the various requirements and opportunities that is bloomed in front of them to start their own venture.
