Every year the World Health Organization (WHO) holds global events under its guidance on 31st May, to raise awareness of people about the harmful effects of Tobacco and the day is celebrated as world no Tobacco Day. Several events are held to educate people about several life-threatening diseases caused by chewing tobacco and smoking. Millions of people are losing their lives just because of this smoking and tobacco chewing activities. It is global event held together by governments, healthcare industries, educational institutions etc with WHO, the main organiser of the event.

#### DETAILED REPORT ON NO TOBACCO DAY:

"Replacing the smoke on your face with a smile today will replace illness in your life with happiness tomorrow. Quit now." The inspiring quote which makes people understand the value of life. Every year World No Tobacco Day has a theme to focus on. This year the theme of World No Tobacco Day 2022: "Protect the environment."

On the occasion of World No Tobacco day, our CSA Committee took initiative to create awareness about the harmful impact of smoking and Tobacco among people. For this, our college NCC candidate joined us and showed their interest by helping us in preparing charts for the same. So almost 10 charts were made which reveal smoking and tobacco chewing harm the health of people. This day didn't end only by showing charts.

Later, at 9.10 am, our volunteers and NCC cadets assembled in front of college for a rally to spread awareness among people with charts. Our respected Principal and Vice Principal addressed all the volunteers and NCC candidates with their positive kind words which made everyone so much enthusiastic and energetic for moving ahead and they gave us a sign to start our march and there our rally started from College to Kammasandra village. Volunteers were so much active and showed their coordination in creating awareness among people. They were moving with slogans in English and Kannada to make people aware which actually attracted people and even people were standing and taking all the words in a positive way. Volunteers were also guided and supported by Prof. Anusha and Sampath sir.

We even got an opportunity to go to government school where we were able to showcase our knowledge and our motive for the rally. The kids were so sincere and good listeners as they were understanding that smoking is injurious to health.

At 11.35 pm, we reached college and had some refreshments. For this rally and opportunity, a big thanks to our Principal, Vice Principal, Prof. Anusha, Sampat Sir and all NCC cadets who helped us and coordinated with us, for making this event successful.
