WELCOME RAJ MOHAN REDDY T (Our Future Delta Lawyer)

We are delighted to welcome you as a part of the IFIM- Family. The IFIM- Legal family has grown steadily over the last few years, creating a name for itself in the Legal Community in India and abroad. You will hereby embark upon a journey, which over the next five years, will be one of the most transformative journeys of your life. We will guide, nourish, and nurture you to become the lawyer of your dreams.

While the lockdown halted our movement, it cannot halt the fire that ignites in the minds of our bright young scholars. Your journey into law school is the culmination of hard work and prudence. Let us undertake this new journey with resilience and purpose in our hearts. As it has been rightly pointed out by Eric Hoffer that "In a time of drastic change it is the learners who inherit the future. The learned usually find themselves equipped to live in a world that no longer exists."

As you begin this new chapter, allow me to shed light on the journey that you will be undertaking. Here at IFIM Law School, we believe in a holistic development of an individual. It is for this reason that we have upgraded from an 'I- Shaped' to the 'Delta-shaped' legal education model. All the 'I- Shaped' model requires is basic legal knowledge and skills. This, however, is not enough anymore. Lawyers need to be more than their legal knowledge; they need to be the social engineers who are capable of driving change and revolutionizing industries. But the question is how do we achieve that? To best equip our students for facing a world which is becoming increasingly complex we follow the 'Delta-Shaped' education model with its three essential components: Practice, People, and Process.

I hope that you begin this new journey with courage, to be original in your expressions; kindness towards your peers, this earth, and yourself; and faith in your abilities. I would like to conclude by quoting Benjamin Franklin - "Tell me and I forget, teach me and I may remember, involve me and I learn." Building a strong and adaptable character is essential for any self-sufficient individual. This and the institutional support that we provide is a concoction for success. So, let us together witness the growth that you and the institution would undergo.

I wish each of you a successful fall 2021.

Best Regards,

Dean, IFIM Law School
