On 31st May 2022 on the occasion of World No Tobacco day or Anti-Tobacco day SFS College NCC Cadets organised a public awareness rally. More than 40 cadets participated in the rally along with CSA Team with pluck cards, posters and slogans. The rally was inaugurated by the Principal of SFS College after addressing the cadets about the importance of the day. The day as the name suggests was created by World Health Organisation to raise awareness about the adverse effects of smoking and consumption of tobacco. It aims on to sensitising people about the hazardous diseases that can be caused due to consumption of tobacco. This year the day was observed across the world with the theme "**Protect the Environment**". The rally started from college gate and moved towards the residential areas of Huskur Gate, Kammasandra and Hebbagodi covering around 3 kilometres. Cadets also spread the importance of the day to general public at Hebbagodi Bus Stand and interacted with students from Kammasandra School about the afflictive effects of usage of such substances.

The core intention of the activity was to spread awareness among the people that this fatal habit could lead to more health-related complications such as diseases like cancer, diabetes, respiratory disorders and also increase 40% - 50% of risk in Covid-19 which may lead to death.

We would like to thank our Commanding Officer Col B.S Dhama, Adam officer Lt Col Ravindra Singh, Principal Rev. Dr. Roy, Vice - Principal Rev. Fr. Jijo Jose and our ANO Lt. Sampath Kumar R for providing the cadets an excellent opportunity to serve the people by the best possible way by making them aware about the effects of consumption of tobacco and other substances which cause adverse effect on their health.
