#### Report:

Rev. Dr. Roy, Principal, SFS College has always taken initiative for the overall development of the faculty members. He conducted an orientation on “Essentials of an Effective Teacher” to inculcate the best qualities of a teacher that are hidden in every faculty. He gave a one-hour session that enriched the faculty by making them understand what the student expects from a teacher and how a teacher should respond to the needs of the students.

The principal briefed on the nuances of teaching and explained how practical teaching is more important for a student to understand the concepts in a clear way. He focused on student-centric methods and application-oriented learning. He shared many interesting real-time experiences with the faculty that added more value to the session. The principal promised the faculty that he will conduct more such sessions to enhance the quality of teaching in the institution.
