## Department of Science Report on Hands on session on Structuring Research Paper

Date of Event	12/2/2021
Department / Association	Research & IP Cell
Venue	Room No. 304
Number of Participants	10
Resource Person	Dr. Ambika Nautiyal

The Research Cell in St Francis College organised a session entitled "Hands on Structuring Research Paper" on 12/2/2021. The objective of the session is to encourage and cater the faculty members on structuring the research paper.

The faculty members from the Department of Science gathered in Room No. 304 and participated in the session. Dr. Ambika Nautiyal was the resource person of the session.

Dr. Nebula Murukesh, Coordinator, Department of Science introduced the chief guest to the participants. The resource person very well explained the basic terminology used in Research publications and the structuring the research article. She threw light on Introduction, Title, Abstract, Key words, materials and methods, result and discussion.

After the a brain storming session in which each member was helped to identify a research area. The team members brain stormed and had chosen an area of research with appropriate title. The participants were assigned to generate a review article for the follow up session.

Everyone felt the session was very fruitful and productive. Research Cell
